The Apostolic Worship Center Orlando to Recognize Leaders and Partners During Community Rebrand Celebration

Orlando, FL (11/08/21) – The Apostolic Worship Center Orlando invites Central Florida communities to its Soft Launch Rebrand Celebration, scheduled for Sunday, November 14, 11:30 am-1:30 pm, at 8001 Silver Star Road, Orlando. The outdoor activity is being held to recognize community partners, while celebrating the soft launch of the church rebrand.

The program will include food and recreational activities for the entire family. There will be acknowledgment of elected officials, community leaders, and long-standing partners. The “Vision for Community Partnership” will also be announced. “We can do small things by ourselves, but to do great things, we need help,” Bishop-Elect Frank E. Thompson states. “We need our Partners!”

“The landscape for churches is changing and we are moved to share the soft launch of our brand with the communities we serve,” states the Bishop-Elect. The rebrand includes a newly designed logo, website, and pulpit area, representing a broadened mission and marking the next phase of history at The Apostolic Worship Center Orlando. “We are honored to have strong relationships with our business and community partners that allow us to expand our reach in serving those in need,” he further explains.

In collaboration with Fit for Peace, Inc. and Just Write Consulting, Inc., The Apostolic Worship Center Orlando will serve families during a Drive-thru Turkey Dinner Giveaway at the church, on Saturday, November 20, 10:00 am - 2:00 pm.
